Remark:

First of all, the applicant wishes to express his most sincere thanks to the examiner for her effort spent into this very difficult examination job which last for 12 years. The examiner had demonstrated outstanding professional courtesy to support a pro-se applicant. Thank you very much.

The objections of the latest office action had been carefully reviewed. The subject claims had been amended to overcome the grounds of objections. A letter of allowance is respectfully requested to be issued.

[End of Remark]
